Pro Se 7 (Rev. 12/16) Complaint for Employment Discrimination

I was hired hired by the hertz Corporation in October of 2015. Beginning in 2018 when the company Hired hired a new manager, I was targeted in the workplace due to my race. I was harrassed and I was watched more than other employees. Other employees were allowed to do things that I could not do. I was sent home for my attire because I did not have a name tag on which I had not been wearing it because it was not enforced in the past. II was treated unfairly compared to how other employees were treated. I was called a liar because I went home sick and I was told that I was faking my illness. I was retaliated against because I reported inappropriate behavior of my manager because he was being hostile towards me. The next day I was written up.
